

**Francois
Le Saint
Sancerre
Calcaire**

Certified Organic Farming Low Sulfur and Vegan

Francois Le Saint is a 10th generation family estate in Sancerre, France. They are certified Organic by Ecocert and farm without any harmful chemicals. Their winemaking is as hands off as possible with natural yeasts and limited sulfur. 100% Sauvignon Blanc from 'Calcaire' (chalky limestone) soils, this Sancerre is fresh, fruity, and dry. Highly complex aromas of lime juice, ripe pear, and hints of tropical fruit make this an ideal pairing with a fresh salad or poached fish.
