

## Dalle Ore Cabernet Sauvignon

Certified Organic Farming  
Minimal Added Sulfur and Vegan

Dalle Ore is a family estate in the hills of the Veneto in Northern Italy. There father and daughter Marco and Bendetta grow grapes with the utmost care and without any harmful chemicals. Further, they make all of their wines naturally with very little sulfur. This Cabernet is sure to delight any lover of the grape. It delivers layers of black currant fruit, cedar, spice, and earth in a medium bodied package. A racy style of red wine that doesn't lake concentration, pair this with a hearty lasagna or ragu with pappardelle.
