

Le Masse Chianti DOCG

Organic and Biodynamic Farming Low Sulfur and Vegan

Le Masse is a family farm south of Florence in Tuscany. They farm all of their grapes organically with biodynamic principles. The winemaking is as natural as possible, without additions except for minimal sulfur. This Chianti is 100% Sangiovese and has fresh aromas of ripe red fruits, dark plums, and violets. Medium bodied with a long finish, it is a perfect match for pasta bolognese or mushroom risotto.
