COTEAUX DU VERDON

Sweetness Level: DRY

Certified Organic Farming
Low Sulfur and Vegan

Domaine de la Mongestine is a small vineyard in northern Provence, France. They are certified organic and use no harmful chemicals in their vineyards. The winemaking is as natural as possible, without additions except for minimal sulfur. This is a light red made of Syrah and Grenache grown at high altitude on limestone soils. Stunning aromatics of red cherry, wild flowers, and herbs lead to a light bodied palate with incredibly concentration. This will make an excellent pairing with Thanksgiving dinner.
