Certified Organic Farming  
Low Sulfur and Vegan

Domaine de la Mongestine is a small vineyard in northern Provence, France. They are certified organic and use no harmful chemicals in their vineyards. The winemaking is as natural as possible, without additions except for minimal sulfur. This is a vibrant Pinot Noir from a high altitude vineyard with limestone soils. Stunning aromatics of dark berries, milk chocolate, and earth lead to a light bodied palate with finesse and concentration. This will make an excellent pairing with any roasted bird.
