## Laukote Tempranillo

Sweetness Level: DRY

### Certified Organic Farming Low Sulfur and Vegan

Laukote is a very small family estate in Rioja, Spain. They are certified organic and farm without any harmful chemicals. Their winemaking is as natural as possible with native yeasts and limited sulfur. This is a unique chance to taste a 100% Tempranillo without oak aging from vines up to 65 years old. Power, finesse, and fresh acidity mark this medium bodied red that can also be lightly chilled. Made with the traditional method of Carbonic Maceration, this red has aromas of red plum, strawberries, and earthy spice.
