

## Ch. de la Vieille Chapelle 'Cuvee Tradition'

Organic and Biodynamic Farming  
Low Sulfur and Vegan

Chateau de la Vieille Chapelle is a small family estate in Bordeaux, France. Located on the famous 'Right Bank,' they specialize in growing Merlot and Cabernet Franc without any harmful chemicals. In the cellar, they make their wines naturally, using only the smallest amounts of sulfur. This 'Cuvee Tradition' is a delightful wine that brings us back to the Bordeaux wines of old. Medium bodied, intensely aromatic, and made without oak aging, it showcase the noble terroir of the region. Pair with pan roasted duck or turkey!
