

Wild Nature Pinot Grigio

Sweetness Level: DRY

Certified Organic and Biodynamic
Certified Vegan

Wild Nature was the first estate in the Veneto to be certified organic in 1974. In 2020, they were certified Biodynamic by Demeter. Their labels represent their commitment to biodiversity in their vineyards as each picture an animal that can be found amongst the vines. Pinot Grigio is the national white wine of Italy, and this bottle represents the grape in all of its glory. Medium bodied, creamy, with soft acidity, the wine is easy to drink and delicious. Aromatics of apple, pear, sage, and cream jump out of the glass. Easy to savor on its own, this Pinot Grigio would also pair well with your favorite cheeses.
