

Wild Nature Prosecco

Certified Organic and Biodynamic
Certified Vegan

Wild Nature was the first estate in the Veneto to be certified organic in 1974. In 2020, they were certified Biodynamic by Demeter. Their labels represent their commitment to biodiversity in their vineyards as each picture is an animal that can be found amongst the vines. This Prosecco is 100% Glera from estate farmed grapes. Representing the best of Venetian terroir, heritage, and culture, it has delicate flavors of white flowers, orchard fruits, and fresh herbs. A classy addition to any cocktail or dinner party, Wild Nature delights the senses and invites another sip. Cin-Cin!
